To whom it may concern:

Bayswater Strikers Soccer club thanks you for your valued sponsorship. Running a soccer club can be very difficult and it is without sponsors and supporters that we are able to offer our players a suitable facility as well as equipment to play to the best of their ability.

Bayswater Strikers have teams participating on Saturday and Sunday competition. We are members of the Victorian Churches Soccer Association (VCSA), Bayside soccer league and Football Federation Victoria (FFV). Bayswater have 8 teams in the three leagues which play state wide. We have currently over 150 members, men's and ladies and we are looking to grow in the 2010 season. Team coverage ranges from Ballarat across to Healesville and from Eltham down to Baxter, providing a broad and varied cross-section of advertising audience.

Our website is a key provider of information for our teams and other competing teams; we are also linked to the other association's websites (VCSA, FFV and Bayside League) which display all our results etc, and attract approximately 75,000 hits per season. Links to any existing websites you may have can be included, or we can add your artwork along with product and contact details. We also have Senior Presentation evenings which provide an opportunity to display any signs, banners etc, you may have available, or attend personally so we can highlight and thank you for your involvement.
